I filmed the heavy snow a lot,
but I took low quality photos.
I might never see snow
like that again. I'm sad...

That's not it. We were surprised to see her.
I shouldn't say that when I don't know if it's real or not. But when I saw what Se Gyeom-Gang is doing, it looks like it's true and what should I do really...
We were surprised, and since that person kept smiling and asking me, I unknowingly answered...
What do you mean Lmji? Calm down and tell me

To Mi Hyang,
We...
What are we doing now

I'm not going to eat this! Grandmother is stupid!
I'm going home! I want to see mom!
I want to eat chicken soup!
The things that we didn't do because we couldn t do anything

They will all think that you're crying because of the movie so
-So
Seeing chaos like this, we've all tired up here.
Yes your grandmother will do anything for you.
What should we do from now on?
The person that you had to pay back no matter what
Was it Mi Hyang Seo?

I see.
Then I...
Linji!
You bastard!
I was like that to you.
..When I thought that I could do it.

I tried to draw it, but it wasn't really something that could be drawn as a picture
In the drawing it isn't that noticeable, but... Can you really see in front of you?
What should I do? What if the swelling doesn't go down tomorrow as well?
Are my eyes still swollen?
You get an eyepatch Ice it and place it on your face and sleep, no matter what
Ah, what if I cut pain relief patches into small pieces and put them on my face?
I'll ask my mom properly this time
No? I thought that it was a good idea.

Why did she have to do that?
I never heard her answer, even though I asked her many times.
If there was a good reason for it, she wouldn't have tried to avoid it by saying, "You won't understand."
...So you shouldn't have to think about stuff like that anymore.
What if it's real?

It isn't.
Then why do you want to check?
You didn't talk to me for several days
It must be because you're thinking that...
Go in.

It's not like that so don't think about it and just go to sleep, I will do the same.
You should go. I will go inside after I see you leave.
You should go inside..
Listen to me, You should leave now.

Se Hyu?
Why are you here?
Why did you skip school with that student? What have you two been doing?
Ah...
Here's your bag. Sun Yi and Linji brought it.

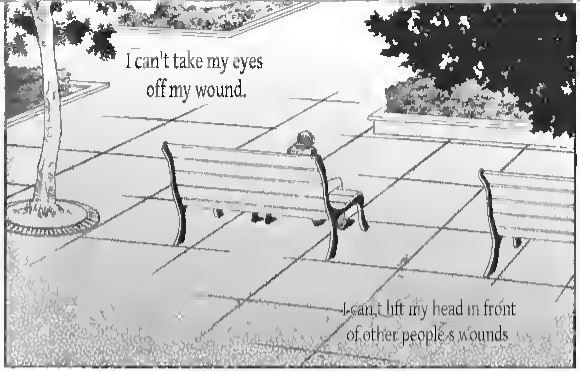
You're in trouble. Your homeroom teacher is really angry.
But hey, you know... How did you know about this place
I've been here before, a long time ago
When I was young,

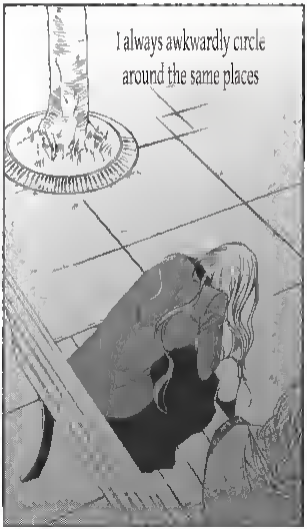
Waltz 25

The Things that We Have to Throw Away and the Things that We Have to Give Up 2

I'm sorry,
Se Hyu.

If people apologized sincerely, and forgave sincerely, then everything would just belong to the past.
It's all your dad's fault.
It's your parents' fault.
I am sorry
But the reality is that a wound is still a wound, An apology is still an apology– And forgiveness is just forgiveness.
The wound, the apology and the forgiveness–
Dad has done something wrong...





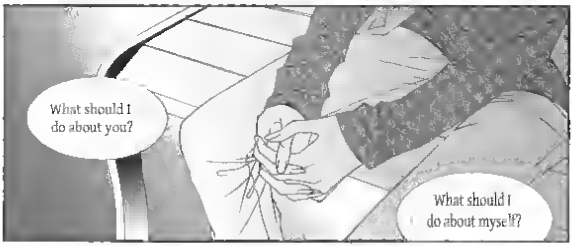
I should stop now.

You people who have
done nothing wrong

My mom really hasn't done this.
My mom
Mom and I...
We lived really tough lives.
had a really hard time.
Yeah. I know I know it well.

Mom
And I...

I don't know what to tell you...
From the moment I first saw you until now
All this time...



What should I do about you?
What should I do about myself?

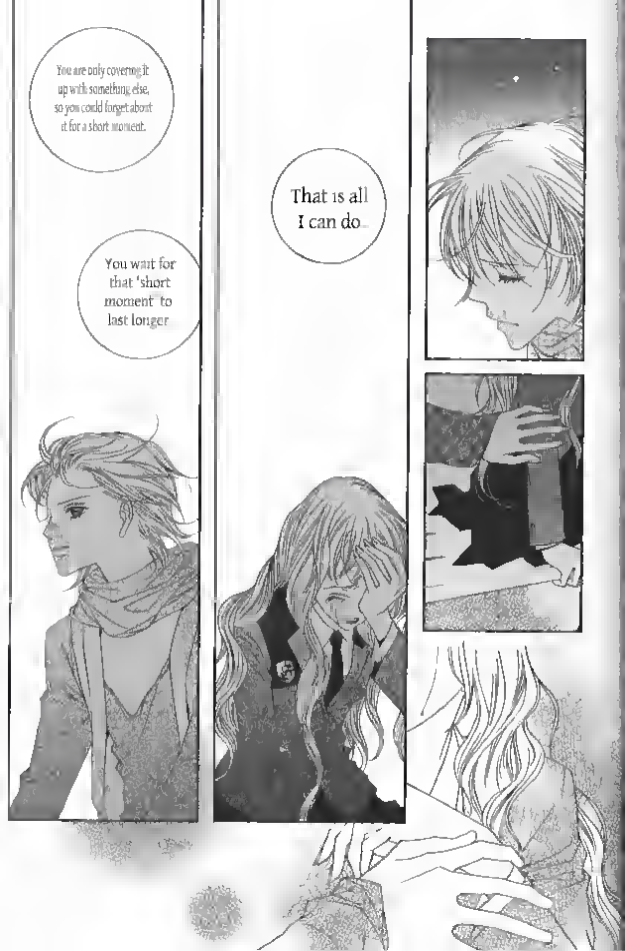
You smile often and are bright
You are very pretty

If yo i grew up like that..I thought that you were better off not knowing
No ! thought that it would be okay if you didn t know
I thought about that, too..
But that wasn't it, right?
I should have known sooner

I have always
Avoided it.
I am sorry.
I am sorry...!
I am a coward.

I am not apologizing to make you forgive me or forget all this
That would never happen
But I can't do anything else
If I can do anything to make you forget,
Or help you escape,
Then whatever it takes, I will do it.

If I can be together with you, ,
And fix your broken parts, I will do it
No matter how long it takes.
Even if it takes the rest of my life,
For the rest of my life
But that is meaningless now
There is no way to piece together what has already been broken
No matter how much you wish for it to happen,



You are only covering it up with something else, so you could forget about it for a short moment.
You wait for that 'short moment' to last longer
That is all I can do.

If you are with me,
You won't be able to forget anything.

When you see me, you will remember what I have done to you

You will remember your mother.

And you will think about what you have experienced.

If that happens then nothing would change
If you can do that for me
Don t say anything and just be with me
Then,
No.
I am not asking you to do it, but I am, it is...
You shouldn't have said it

So...
Mi Hyang,
Always being afraid of people and nervous around them.
You shouldn't live like that

That is probably why you don't know the reason your mother became so unfortunate
So you are okay now, Mi Hyang
Now you are...

This is
a secret.

I really like you, too.
If it's possible, I just want to stay beside you,
And watch you forever.
But that is going to stop today.

I am going to end it here.
Do you know what I mean?
Yes.

Never be scared again
You will be loved by everybody
You no longer need to have nightmares
Nobody will harm you
You are good and beautiful
And extremely lovely

Nobody will hurt you from now on,
So don't be nervous and scared.
Smile without worry.
